Anti-Bribery and Corruption Prevention Policy and Policy About Relations With Public Officials and Other Third Parties

Saba Park Deutschland GmbH. (hereinafter referred to as “Saba”), as a manager of car park premises and car park regulated areas, has as its main objective to offer its customers a high quality service, in accordance with its benchmark position in the market of sustainable urban mobility and in compliance with legal requirements.

In accordance with the main international references, and developing the principles contained in its Code of Ethics, Saba rejects all forms of corruption and enforces the principle of zero tolerance for corruption and bribery.

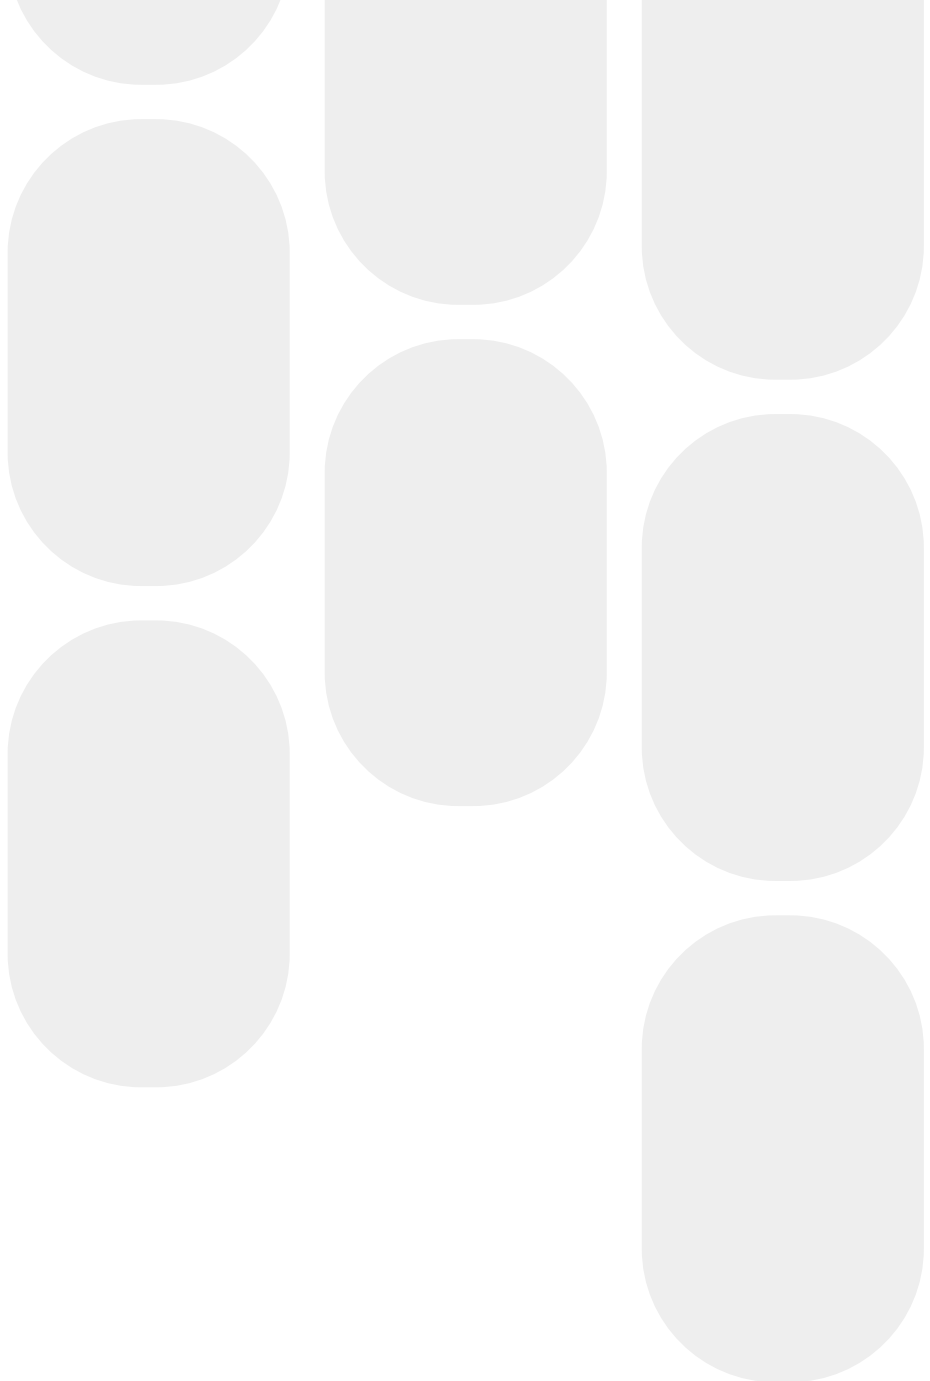

With this firm purpose, Saba will carry out its activities in accordance with the legislation in force in all areas of activity and in all the countries in which it operates.

Therefore, it is essential to implement measures for preventing the commission of behaviours oriented to obtain and/or facilitate illicit favours from/to the public officials and third parties.

The aforementioned policy reinforces Saba's commitment to these principles that are already embodied in Saba's internal regulations, and that constitute the principles of the Saba Group Management and employees in their dealings with both public authorities and private companies.

With this objective, Saba undertakes to raise awareness throughout Saba Group companies and their employees, deepening their knowledge in behaviours that can give rise to forms of corruption both with the public officials and with third parties, through a constant and continuous education to all who are part of Saba Group.

Saba's Company Management undertakes to review this policy periodically, adapting it to new requirements, and to disseminate it among all employees and interested parties.
